...Thank you for supporting our young people with disabilities to make a difference in their lives and those in their communities.

-StarJam

Your grant is making a difference in the lives of all who work and live here in the home, as well as in the office. It will truly help us to continue to provide a safe, supportive environment in which the teens can learn the skills and knowledge required to parent confidently and have healthy, well-cared for newborn babies.

-The House of Grace

The Mainland Foundation is an independent hotel based society licensed to operate gaming machines in hotels and taverns, raising money for distribution to the wider community.
