\$4.4 million was paid in government charges in the form of fees, tax, duty and levies.

Your donation has so far enabled us to provide venues for five parent group sessions which has benefitted about 39 families.

Birthing Christchurch

As a charitable trust we are committed to getting more people, more active, more often. Your assistance in helping us to achieve this mission in the Top of the South region is enormously valued.

Sport Tasman

On behalf of our School Rugby Players and Staff accompanying them, thank you so much for so kindly providing funding to assist with transport to Hagley Park for the weekly winter sports competition. Without such help, playing Sport at Hagley Park may not be possible for some of our children. Your kind assistance is very gratefully received. Thank you.

Addington School

It goes without saying that this grant towards the production costs of Dr Seuss' The Cat in the Hat is of enormous value to us, both supporting the continuation of our quarterly children's show offerings and making these as accessible as possible to Canterbury Families.

The Court Theatre

The Mainland Foundation is an independent hotel based society licensed to operate gaming machines in hotels and taverns, raising money for distribution to the wider community.
